1. The following is an examiner's statement of reasons for allowance:

In claim 56, lines 13-14 the phrase "lacing that extends diagonally from one hole to another hole along a vertical path" has been interpreted as being readable on the path of the lacing disclosed in the specification on page 17 and shown in figure 26, i.e. there is a hole formed between the longitudinal lace and the two eyelet holes through which the lace passes when it extends diagonally from one side to the other along a vertical path and it is this hole that the Examiner considered the claim to be referring to.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
